Additional Labor Rates

Inter-Con welcomes the opportunity to develop a customized quote in response to your Statement of Work (SOW) or Performance Work Statement (PWS). If your SOW or PWS has positions or other equipment requirement that are not included in our Pricing Catalog, Inter-Con will provide a customized quote with a prompt turn-around. Inter-Con’s fully loaded rates include all wages, fringe benefits, health and welfare costs, payroll taxes, guard equipment, training, background checks, and medical exams, as required and in accordance with applicable wage determination agreements.

Examples of such costs include specialized vehicles, communications equipment, guard mount time, relief, gear-up/gear-down, paid travel time, or CBA wages and benefits that are in excess of approved the wage determination agreements. If any required positions are not billable and therefore, must be included in the overhead costs, the cost of these positions will be added to the billing rates for the billable positions. Customized quotes often result in discounted pricing. Billing rates are subject to FAR 52.222-43 adjustments.

Inter-Con will provide pricing at any locations requested and add those locations to our Pricing Catalog. Inter-Con will update pricing based on new wage determinations for applicable performance at the time of inquiry. Salaries for managers and supervisors are dependent upon various factors, including site locations, the size and complexity of the contract, clearances needed, and experience required. Salaries for exempt, non-SCA positions are projected to increase 3% per year. Please forward your request or comments to the contact information is provided on the first page of this document. A quotation based on SIN 246-54 labor rates, customized to your specific requirements, will be forwarded via return e-mail.

Company Profile

Founded in 1973, Inter-Con Security Systems Inc. (Inter-Con) is a U.S.-owned privately held Security Company, headquartered in Pasadena, California, that provides physical security solutions to government and commercial clients domestically and internationally. Inter-Con is a proven industry leader in customizing and implementing enterprise-wide security programs dedicated to the safety of personnel, the protection of assets, and the safeguarding of sensitive and classified information. Inter-Con's goal is to engage only in partnerships for which quality and the integrity of services are essential elements. Our unique approach has allowed us to grow organically, one customer at a time. Our long-standing relationships with government and commercial clients, many spanning over ten years, are a testament to Inter-Con's uncompromising quality of service and breadth of experience.

Inter-Con is a Premier Security Provider in the Government, Commercial, and Healthcare arenas.

The Inter-Con Approach

Inter-Con is committed to thoroughly understanding our clients' environment and unique security requirements. Our ability to design integrated and standardized security programs, tailored to meet our customers' needs, is unrivaled within the traditional security industry. From the inception of each contract, Inter-Con dedicates an exclusive Program Manager who offers immediate response to client needs. This is a unique practice that differs significantly from the generic branch-office approach employed by traditional security contractors.

Our management team has autonomous decision-making authority and controls all personnel, logistical, and financial resources necessary to ensure the success of the mission. These security professionals provide the expertise and innovation needed to carry out the most sophisticated security requirements, while simultaneously monitoring and evaluating its effectiveness in operations and procedures in order to exceed customer expectations. This exceptional service and performance distinguishes Inter-Con from its competitors and motivates our clients to engage in long-term partnerships with us.

Inter-Con Today

For over 36 years, customers have counted on Inter-Con for their protection. Today Inter-Con...

- Employs over 25,000 security professionals.
- Supports its customers through its global security experience.
- Executes an enterprise-wide, streamlined approach to guarantee that customers receive the highest level of attention through a management team dedicated to one client.
- Maintains a financially sound organization through conservative fiscal policies.

Experienced Executive Leadership

Inter-Con employs award-winning security professionals who have achieved distinction in the field of security through years of experience in significant positions within security; military; and federal, state, and local law enforcement organizations.

Emphasis on Reliability and Excellence

In today's volatile security environment, Inter-Con designs and implements innovative security solutions with operational effectiveness and cost-efficiencies that yield unparalleled results. Inter-Con accomplishes this by integrating our extensive operational experience, flexible project management, and stringent quality control to deliver exceptional results that exceed our customers' expectations. In all cases, Inter-Con's security objectives include the protection of clients not only from unauthorized access and loss or damage to property, but also from third party liability and impact to brand. Inter-Con's emphasis on professionalism has enabled it to obtain unique contracts, to include the following on-going, notable efforts:

- **U.S. Department of State (DOS):** Since 1997, Inter-Con has served as the sole provider of 24 hours-a-day, seven days-a-week, armed protection, preventing unauthorized, illegal, or potentially life threatening activities directed towards tens of thousands of Federal Government employees, contract workers, visitors, and foreign dignitaries at DOS facilities in the National Capitol Region and eighteen other states. This security force includes Explosive Ordinance Detector (EOD) Canine Teams, and Certified On-Scene Chemical and Biological Incident Commanders, as well as deputized U.S. Marshals.
- **Commercial Power Generating Installations:** Since 2003, Inter-Con's armed security officers have protected vital utility power generating stations that provide electricity to the City of Chicago, its Metropolitan area, and the western regions of Pennsylvania and New York. The armed officers conduct vehicular and pedestrian access control; monitor electronic access and alarm systems; and prevent and detect illegal or unauthorized activities at eight sites.
- **Healthcare Security Services:** Inter-Con has provided comprehensive healthcare security services for the protection of assets and personnel at more than 35 medical centers and hundreds of facilities. Inter-Con's partnership began in 1992 with the design of a healthcare security services "pilot program", which was then implemented on a nationwide level.

Inter-Con officers maintain the highest professional standards.

Inter-Con officers screen thousands of Government employees and visitors, as well as Cabinet-level officials on a daily basis.

Inter-Con's highly trained officers provide immediate response to acts of violence against Government property and personnel.
